**BEST VOTE
OFFER CLOSES
JUNE 21st**

Put Forth Your Best Efforts and Gather in All Possible Subscriptions Before June 21st for On Your Work Now May Depend Your Success At the Close. The Big Vote Inducement Now in Force is Guaranteed to Be the Biggest and Best Vote Offer of the Contest.

SUBSCRIBE NOW

Now is the Time Your Subscription Will Bring Your Favorite the Most Votes. Subscribe or Renew Before June 21st for Your Support Is Needed by Your Favorite Candidate.

The close of the biggest and best vote offer of the contest approaches. Monday, June 21st, will be the LAST CHANCE to take advantage of this mammoth vote inducement. Every candidate in the race should put forth her very best efforts during the few remaining days of this offer and take full advantage of every opportunity to secure subscriptions. Don't let any of your friends put you off longer but tell them that right now is the time their subscriptions will do you the most good.

After June 21st, the vote schedule will take a most decided drop and will continue lower during the remainder of the contest. A new one year subscription now brings 12,200 votes where under the regular schedule of votes, it would only bring 3,600 votes. A new five year subscription now brings 69,400 votes, a new ten-year subscription brings 147,800 votes. Under this big vote inducement, votes of subscriptions count up very rapidly and with a very little effort, a candidate could soon reach the top of the list. This is too good an opportunity to secure thousands of extra votes, for a contestant to let pass by without taking full advantage of it.

Cash Your Promises.

Make every possible effort to secure subscriptions between now and June 21st, for on your effort now may depend your success at the close. Call on all those "see-you-later" and "I'll help-you-at-the-last" friends and tell them that you need their subscriptions at once—that now is the time their subscription, if possible, have most votes. Make up a list of all your friends whom you have not seen or who have told you that they will help later. Go after them for their subscriptions. If possible, have a personal talk with them—tell them how much good their subscriptions will do you now. Those whom you cannot see personally should be sent letters or reached by telephone. Remember, you are working for prizes that are worth your very best efforts now, you will be able to gain a lead that will be hard for other candidates to overcome later. So do not neglect any possible opportunity to secure subscriptions between now and June 21st.

Never again in this contest will you be able to secure so many votes on your subscriptions as you do between now and June 21st. This mammoth vote inducement is GUARANTEED TO BE THE BIGGEST AND BEST VOTE OFFER OF THE CONTEST AND JUNE 21st IS POSITIVELY YOUR LAST CHANCE to take advantage of this big vote offer.

Subscriptions sent by mail will be counted and accepted on this big vote offer if the envelope containing same is postmarked not later than 9 p. m., June 21st. The schedule below includes all extra votes.

Our Guarantee
THIS BIG VOTE OFFER IS GUARANTEED TO BE THE BIGGEST AND BEST OF THE ENTIRE CONTEST. So turn in your subscriptions as fast as you receive them. If you hold them back with the expectation of securing bigger votes on them you will be disappointed. We guarantee that no better offer will be made during the contest.

Notes About the Contest.
Until further notice, no contestant will be allowed to poll more than a sufficient number of votes to place her standing 25,000 in advance of the leader of the preceding issue. Where more than the limit allowed is polled, candidates are allowed to vote the limit and the balance are dropped back into the ballot box to be polled in the following issue.

Hustonsville has three very popular young ladies entered in the big race and all are making an active campaign. They are Miss Margaret Allen, Miss Christine Lair and Miss Roberta Blair.

If there is an error in the count of any contestant's vote up to the present date, it must be called to the attention of the contest manager before next Monday night. Otherwise the standing as published today must be taken as correct.

Miss Mary Gaines seems to be the popular favorite in Crab Orchard and her many friends in that section and elsewhere are casting their votes in her favor.

147,800 votes for a 10-year new subscription before June 21st. Subscribers who are in arrears in their subscriptions should pay up before June 21st and vote for their favorite.

Four young ladies from Moreland are entered in the big race. They are Miss Anna S. Reynolds, Miss Olga Myers, Miss Lydia Waddle and Miss Prudence Ferrell.

Big votes given on all subscriptions until June 21st. Lancaster has two favorites in the big race, glory and prizes. Both Miss Stella Comely and Miss Florence Dawes are making active campaigns and deserve the support of their friends.

June 21st—send in your subscriptions before that time for now is the time your subscriptions will bring your favorite the most votes.

Miss Gertrude Richardson, is representing Junction City in the big contest and deserves the support of her many friends.

Shelby City's entry in the big contest is Miss Emily Murphy, who has made many friends all over this county.

Danville has three candidates working for the prize and all have numerous friends who are watching their race with great interest. Miss Elizabeth Dye, Miss Ethel Schadel, and Miss Joyce Taylor are the three popular young ladies entered from this town.

Paint Lick's "favorite" in the big race is Miss Louise Rice, a charming young lady whose many friends are hoping that she will continue to make an active race for the prizes.

Among the popular candidates entered from Stanford are Miss Patricia Calmesse, Miss Fannie Scott, Mrs. Walter Jones, Miss Bessie Clay, Mrs. Elsie Coleman and Mrs. Lucy M. Bartley.

Both Miss Warriner and Miss Cora Singleton, the two popular candidates entered from Waynesburg have scores of friends anxious to help them win a prize and we look for these candidates to give a good account of themselves at the close.

King's Mountain has a "favorite" candidate in the person of Miss Grace Thompson, who with the help of her friends, is making a most active race.

From the bustling little town of Broadhead, we have three entries in the big race. Miss Etta Cable, Miss Ada Ward and Miss Judith McCall are the attractive young ladies who represent this town.

Miss Salem may not be very big but it certainly has a bustling candidate in the person of Miss Nannie McKinney to represent it.

Preachersville candidates entered in the great race for fame or fortune are Miss Ella Rigby and Miss Julia Brown and we trust their many friends in that section will give them unlimited support.

Send in Your Photo.
Active candidates are invited to send in their photos for publication in the paper.

TANLAC'S ROMANCE REVEALED.

Growth of Premier Preparation Is Unprecedented.

Louisville, Ky., June 10.—The growth and development of Tanlac, the new remedy being introduced in Kentucky is a romance of the business world. The amazing popularity which this remedy has achieved within a short time is almost incredible to those not actually familiar with the figures.

More than 150,000 Kentuckians are now taking Tanlac, although it was only introduced in Lexington last October and here in January. So great are the demands for it that the laboratories at Dayton, O., where the remedy is prepared, must be enlarged.

These laboratories are now capable of turning out 8,000 bottles of Tanlac daily under the highest pressure consistent with the great care used in the medicine's preparation. To meet the unexpected large sales, it will be necessary to enlarge the plant and to increase the working force.

L. T. Cooper, the noted expert on hygiene and hardly less famous philosopher, known as "The Tanlac Man," was himself surprised at the tremendous popularity his remedy won in Kentucky, he said recently, and the more gratified at it because he is himself a native Kentuckian.

The medicine is being sold now in all parts of the State. Mr. Cooper expects large sales, on account of the record of Tanlac in the East. The record of Tanlac in the East is a record of success.

The ingredients of Tanlac are gathered from all parts of the world. One of them has never before been used in a medicinal preparation. They are taken to the laboratories at Dayton and there compounded with scrupulous care, so that every bottle shall be uniform.

Tanlac is used and has proved highly beneficial, as hundreds of Kentuckians have testified, in cases of catarrh, rheumatism, coughs and colds, malaria, liver and kidney and stomach troubles, and the after effects of pneumonia.

Dixie Rook Has Pleading Meeting.
The second meeting of the Dixie Rook Club was entertained by Mrs. E. J. Howenstine at 2:30 o'clock yesterday afternoon. The attractive little home was made more attractive by huge bunches of crimson ramblers which were used throughout the home as decorations. Five tables of players were present. The guests besides the club members were: Mrs. Wm. Severance, Mrs. W. B. O'Bannon, Mrs. E. J. Brown and Miss Esther Burch and Miss Lucile Cooper.

The next meeting of the Rook Club will be with Miss Sue Taylor Engleman on Friday afternoon of next week.

Clarkston-Gaddis.
George Lee Gaddis, aged 24, a farmer of this county and Miss Zella Clarkston were united in marriage at the courthouse Thursday morning by Judge James P. Bailey.

JAMES P. GOODE CROSSES THE GREAT DIVIDE

Well-known and Popular Citizen of Hustonsville Joins the Silent Majority.

James P. Goode, one of the best known and most popular older residents of Hustonsville, died there Wednesday night. He had been in feeble health for months, but the day before he died he was able to walk about the place. He was a great sufferer from asthma and other troubles and for the past year or more had seldom been outside of his home. He is survived by his wife and ten children—six girls and four boys, all of the latter living in Cincinnati and Covington. One daughter lives in Texas and the other at home.

Deceased was 73 years old and with the exception of six or seven years, all of his long life had been spent at Hustonsville, which he with pride referred to as "the garden spot of the world." He was a prominent Mason, having been a member of that order a half century. The burial in the Hustonsville cemetery at three o'clock this afternoon is being conducted by brothers of that great and ancient order, and members of many lodges are present to pay the last sad tribute.

"Judge" Goode, as some of his friends called him, others preferring the affectionate appellation of "Pap," was mayor of Hustonsville for a long time and made an excellent official. He took pride in the welfare and improvement of his town and gave much of his time to Hustonsville's advancement.

He was a kind-hearted, liberal, clever man and his death has brought sorrow to the many who knew and admired him. A warmer heart never beat in human bosom than his nor was there ever a more congenial disposition. He saw the bright side of every thing and got all the pleasure out of life there was in it. He will be missed in Hustonsville as well as by the visitors to the good little city, who sought him to revive their drooping spirits with the sunshine that he always carried.

Peace to his ashes.

ADDITIONAL PERSONALS.

Miss Fannie Young, of the Highland section, is visiting friends at Goshen.

Miss Lettie Helm goes to Cincinnati tomorrow to spend a month with her sister, Mrs. Frank Walton.

Undertakers J. C. McClary, of this city, and J. M. Reynolds of Waynesburg, attended the Undertaker's meeting in Louisville Thursday.

Miss Gertrude Wilkinson will attend the reception given by the seniors of the Garrard High School and will spend several days with Lancaster relatives.

Mrs. R. L. Hubble, Mrs. William Martin, of this city and M. B. Hubble and wife, of Boyle, were in Lexington Wednesday to witness the commencement exercises of Hamilton College and to see Miss Linnell Eubanks, daughter of the latter couple, graduate.

Judge James P. Bailey, who had intended leaving for Orville, Cal., to visit his daughter, Mrs. H. D. Gregory, has postponed his departure a week or so. Miss Katherine Gregory, his granddaughter, who is to accompany him, will arrive tonight from Cincinnati, where she is attending the Conservatory of Music, has been quite sick and her physician recommends a stay here before taking the long trip across the continent.

Delighted With Richmond.
Mr. and Mrs. W. H. Higgins returned Wednesday night from Richmond, Va., where they went to visit their son, Dr. Harry Higgins, during the Confederate reunion. They found the doctor and wife in fine health and spirits and the former prospering in his adopted home. They were delighted with the impression that it being a Southern city, was naturally a slow place. Said Mr. Higgins: "It is a magnificent city and was really an eye opener to me. I had not thought of it being near as big a place as it was. It is the amount of business that is done there. Hotels, business houses and private residence—all show signs of prosperity and there is every evidence of a healthy growth going on. Rain greatly interfered with the reunion, and some of the old confederates went home before the parade, thinking that the inclement weather would not permit it. It cleared up a little Thursday morning, however, and the parade was a most creditable and interesting one. Many of the old soldiers were too feeble to take part in it, but they looked on with much interest. There were some 8,000 of the men who wore the gray and some of them looked as if they were attending their last reunion."

Rook Club Meets With Mrs. Woods.
Mrs. James Woods entertained the Rook Club most delightfully Wednesday afternoon at their pretty country home. The house was decorated with roses most artistically arranged in baskets and bowls. The hours were spent most pleasantly with the game and chess. Refreshments were served and all soon left the hospitable scene declaring that the country is a wonderful place for Rook, noise and a good time. The guests besides the club members were: Mrs. E. P. Woods, Mrs. Bettie Bush, Mrs. Annie Engleman, Mrs. Sam Embury, Mrs. E. C. Shanks, Mrs. Will Shanks, Mrs. E. C. Hocker, Mrs. Lucy M. Bartley, Mrs. J. L. McKee Riffe, Mrs. Ed Davis, Mrs. Rowan Saufley, Mrs. J. C. Hays, Misses Esther Burch, Lucile Cooper and Susan Woods.

GEORGIA PRISON COMMISSION TURNS DOWN LEO FRANK

Votes Two to One Against Commutation of Sentence—Gov. Slaton Will Have Another Hearing.

The Georgia Prison Commission, by a vote of two to one, denied clemency to Leo Frank, convicted of the murder of Mary Phagan in Atlanta. Commissioners E. L. Rainey and R. E. Davidson voted against the recommendation for clemency and Commissioner T. E. Patterson voted for it. The commission's finding is not binding on the Governor, who, it is stated, will make further hearings before making his decision. The majority report of the commission said:

"None of the grand jurors who found the indictment, none of the trial jurors who heard the evidence under oath, nor the prosecuting attorney have asked that the sentence be commuted. The Judge who presided at the trial and who had the right to exercise the discretion of fixing the penalty of either life imprisonment or death, imposed the latter sentence and overruled a motion for a new trial.

Several appeals were taken to both the Appellate Court of the State and the Supreme Court of the United States, all of which were denied and the judgments of the lower courts affirmed, thus assuring the defendant of his legal and constitutional rights under the laws of the land. It further appears that there has been no technical proposition of law or of procedure that has prevented the petitioner from having his guilt or innocence passed upon by a jury of his peers and by the highest constitutional appellate authorities, and no evidence or facts bearing upon his guilt or innocence having been shown, we see no reason for taking the case out of the ordinary rules of law and justice and feel constrained not to interfere with the enforcement of the orderly judgment of the courts."

We are still confident that Gov. Slaton will commute to life imprisonment Frank's sentence, and while the wish may be father to the thought, we are willing to back our judgment in the premises. The man who was in better position than any other—Judge Roan—the trial judge, expressed doubt as to Frank's guilt. It would be a horrible thing to hang an innocent man and it would be an indelible blot on Georgia's escutcheon.

Gov. Slaton might not satisfy the few blood-thirsty ones, but he would please the conservative element by extending clemency in a case where there is so much doubt as there is in the one now before him. And, mark our prediction, he will do it.

News of the Churches.

Died of His Injuries.
Lee Terhune, who was badly injured in an automobile accident between Bradfordsville and Lebanon, on account of which appeared in our last issue, died of his injuries. The funeral will take place at his late home in Bradfordsville Saturday morning and the burial will occur in the Danville Cemetery Saturday afternoon. Deceased was a prominent miller and a splendid citizen of his town. His first wife was Miss Mary Adams, daughter of Mrs. Martha Adams, of this city. He is survived by his second wife and two children.

Blue Grass Seed Scarce.
L. C. Dunn, of the West End, was a caller at this office Thursday. Mr. Dunn makes a business of stripping blue-grass and other seeds and will begin his work Monday. He says that the crop is very small this year and he fears it will be hardly worth stripping. Orchard grass promises a better supply of seed, he says. He will begin to strip that grass about the 20th.

\$1.75 Round-Trip To Louisville.
The L. & N. will run a special train to Louisville Sunday, leaving Stanford at 6:15 in the morning. The fare for the round-trip will be \$1.75. An attraction of the day in Louisville is the game of ball between Louisville and St. Paul ball clubs.

Herbert Bailey, who has been running a garage in this city for several months, sold out to Frank Conn, of Lancaster this week. Mr. Conn, is the well-known garage man of Lancaster. Mr. Bailey will return to Lexington.

Refused Shipment of Jennet.
Cook & Barnes crated and bought to Stanford Thursday a highly-bred Jennet they had sold to John E. Graham at Killeen, Texas, but agent Rice of the Adams Express Co., refused to accept the animal for shipment on the ground that the foot and mouth disease would not permit it. It was taken back to the Cook farm on Dix river to keep until matters clear up. The Jennet is a yearling and a fine one.

Sanders' Great Sale.
L. L. Sanders, one of Crab Orchard's hustling merchants, begins a big sale tomorrow that will last for two weeks, ending on June 26th. He offers some great bargains in the big advertisement which appears in this paper.

MAY CIRCUIT COURT DRAWING TO A CLOSE

Very Dull Term and No Prisoners To Go To The Penitentiary—Four Get Jail Sentences.

The May term of the Lincoln circuit court is rapidly drawing to a close and will go down in history as probably the dulllest in years. No one has been convicted of an offense punishable by confinement in the penitentiary and there have only been four jail convictions. The juries have been discharged and tomorrow "big" court will end by limitation.

Most of Wednesday was taken up with the suit of the Kentucky Southern Coal Co. against W. S. Wigham, the Moreland coal merchant. The suit was for \$244 and judgment was given for that amount. Mr. Wigham was allowed his contra account of \$100 against the company.

Charley Armstrong was fined \$150 for destroying public property and given a jail sentence of three months for stealing coal. This is the negro who escaped from jail some six weeks ago, brushing aside Jailer DeBorde as he went to unlock the bastle. He was captured in Casey county, the jailer paying a reward of \$25.

The suit of F. Kruger, of Mt. Vernon, against Lincoln county for balance claimed on the erection of the court-house was argued Thursday, P. M. McReberts and County Attorney W. B. Benich representing the county and George D. Florence and Arthur Bensing, of Louisville, the plaintiff. Briefs were ordered filed in the case, and Judge Hardin will render his decision after the perusal of them.

The land suit of Denny versus Brown has the attention of the court today.

LATEST WAR NEWS
The text of the American rejoinder to the German Government's reply with reference to the sinking of the Lusitania is made public this morning. The note reiterates the stand of this Government against placing the lives of noncombatants in jeopardy by attacks on unarmed merchant ships, insisting that the laws of nations and the rights of humanity be complied with and declaring that the rights of visit and search be exercised. It is denied in the note that the Lusitania was armed, as charged by the Berlin note. The Imperial Government is invited to submit any evidence it may have to the contrary. A copy of the note was delivered to Ambassador von Bernstorff, who declined to make any comment. In diplomatic circles generally, it is stated, the note created a favorable impression. In quarters favorable to Germany it was stated that the document confirmed the belief that the critical stage had been passed in negotiations with Berlin.

Secretary Bryan Resigns

The spectacular resignation of Secretary of State William Jennings Bryan and its prompt acceptance by President Wilson furnish the sensation of the hour. Disagreement as to the terms of the second note to Germany, which the president made stronger than Mr. Bryan thought the occasion demanded and might be productive of war, was the cause of the rupture. It is said however that the two had disagreed on several occasions and that it was the third time the secretary had tendered his resignation. Though he owed much to Mr. Bryan it is unfortunate that the president had to select him as his chief adviser, as he is unfitted by temperament for the handling of great issues, being more of a theorist than a statesman. He is usually obsessed with one or two ideas, peace being the dominant one now and he seems to be for it at any price, even to permitting Germany to murder the citizens of the United States, without demand for apology and reparation. The country is with the president in his determination to hold the Kaiser to a strict responsibility for the lives of those who went down with the Lusitania when she was destroyed by a German submarine and Mr. Bryan will find that he has not added to his popularity by opposing him. The people are for peace if it can be honorably maintained and not at the expense of the lives of innocent men, women and children on the high seas or elsewhere.

Mr. Bryan has many friends who stick to him right or wrong but he has lost many others—by his act as well as by his failure as he premier of the administration. His resignation at this time is most unfortunate as it may lead the German government to think that this country is divided in its sentiment for holding it to a strict compliance with international law, but if it does it will discover the mistake. President Wilson means business and a very large majority of the people will back him in any reasonable demands he may make.

It is intimated that Mr. Bryan will devote his time, now to preaching peace and prohibition, possibly with a view to a fourth nomination for the presidency, but we believe he has had his day and that he will no longer be a power to be reckoned with.
We have stood by him through thick and thin, but we believe it is the duty of every citizen now to stand by the president satisfied that he will steer the ship of state through the breakers to the port of peace, but peace or war we are with him, much as we would deplore war.

Dernberg has engaged passage on a steamer of the Norwegian-American line sailing Saturday. That nothing will prevent his going and making his stay after he gets there an indefinite one, every loyal citizen of these United States joins in the hope.

"GETS-IT" a Sure-Shot for All Corns

Use Two Drops — and They Vanish.

When corns make you almost die with your boots on, when you try to walk on the edge of your shoes to try to get away from your corns, you're way behind time if you have not used "GETS-IT." It's the

"Murder! Everybody Tries to Stop on My Corn!" Use "GETS-IT" and You'll Have No Corns to Be Stopped On.

Corn cure of the century, the new way, the sure, painless, simple way. It makes a fellow really feel foolish after he's used toe-eating salves, corn-biting ointments, toe-bundling bandages, blood-bringing razors, knives, files, scissors, jabbers and what-nots, when he uses just 2 drops of "GETS-IT" and sees his corn vanish. The difference is divine. Just try it. You won't wince when you put on your shoes in the morning. "GETS-IT" is sure, "gets" any corn, callus, wart or bunion.

"GETS-IT" is sold by druggists everywhere. See a bottle, or sent direct by E. Lawrence & Co., Chicago.

Sold in Stanford and recommended as the world's best corn cure by Shugar's Drug Store.

Robert Lansing, who became Secretary of State on the resignation of William Jennings Bryan, was counsel of the State Department, is a son-in-law of John W. Foster, Secretary of State under President Harrison, and has been an international lawyer for years. He is a life-long democrat and a man of ability. It is to be hoped that he will not prove a "quitter" as his predecessor has done. It is a matter of much speculation in Washington and elsewhere whom President Wilson will entrust with portfolio. In this case, as in many others that have come before him, the greatest President of the generation may be expected to do the right thing. He always does.

The Harrodsburg Leader, a republican-bull-moose-prohibition paper comes out good and strong for Emmett Puryear for Commonwealth's Attorney. Mr. Puryear may or may not be fortunate in having the support of the mongrel sheet. Strange the Leader waited for Rodney Keen to start and quite the race for that office before it announced where it was in the fight. But then strange things happen these long, bright June days.

Lincoln County's Wealth.

Lincoln county's total value of assessed property is \$7,257,337 and her special tax is \$3,628.66, according to a report just issued by the State Board of Equalization. Her assessment was permitted to stand as returned by Assessor E. D. Kennedy.

MEN'S SHIRTS.

These hot days say coats off and coats off means nicer and fresher SHIRTS—shirts that are pleasant to wear, look well and have service. WHITE SHIRTS of course are always a little neater looking and fresher and these we carry always in all styles out—the dressy ever ready plaited bosom; the white negligee; the white silk and the white sport shirt with low roll collar and short sleeves; then comes the SHIRTS in neater effects—narrow black, blue or tan stripes and then the young men's FANCY SHIRTS, plenty of color, full of style in wide stripes of black, tan, green or gold, long or short sleeves, in madras, percales or silk, all prices \$1.00 to \$3.50. Take off your coat, put on these nice shirts and be comfortable.

Cooper Shares Part of Tanlac Profits With Poor of Kentucky; Does Not Desire Great Riches

"Tanlac Man" Distributing Thousands of Loaves of Bread to Charitable Institutions of Louisville and State
—More Than 30,000 Bottles Premier Preparation Sold in Louisville in Last Eight Weeks

Over Eating—Man's Greatest Enemy

Louisville, Ky.—Never before in the history of Louisville has the sale of a proprietary medicine reached one-half the total of the amount of Tanlac purchased in this city within the last few weeks.

More than 30,000 bottles of this premier preparation have been sold in the last eight weeks in Louisville by the Taylor-Isaacs Drug Company and associate stores, under the personal direction of Mr. L. T. Cooper, the Tanlac man.

The success of Tanlac in Louisville—although it was expected to be as great here as it has been in other large cities of the United States—has surpassed the most extravagant expectations of Mr. Cooper, local druggists and all persons familiar with the drug business.

Bankers, lawyers, judges and druggists are among the vast number who are now using Tanlac.

It is estimated conservatively that more than 150,000 Kentuckians are now taking Tanlac with the most beneficial results. Druggists from all sections of the State are writing, telephoning and telegraphing the Tanlac offices in Louisville for rush orders of the medicine, declaring in many instances that the medicine is meeting with an unprecedented demand in their respective cities, towns and villages.

Orders are being received from the most remote sections of the State the fame of Tanlac having spread to every hamlet and crossroads store.

Mr. Cooper has decided to remain indefinitely in Kentucky and while here will continue his philanthropic work begun last January when hundreds of the worthy poor of Louisville were provided with food and other necessities of life.

He is now sending thousands of loaves of bread weekly to such charitable organizations as the Sisters of the Poor, Associated Charities, Hope Rescue Mission and Salvation Army in Louisville and orphanages and similar institutions in Lexington, Paducah and Owensboro.

"Most of the ailments attacking mankind today are due to man's faulty methods of living," Mr. Cooper said. "A large per cent. of the men and women of today are inclined to overindulgence in both eating and drinking. Man who is a slave to his stomach must suffer the consequences sooner or later, and those consequences are faced earlier usually than he expects. By curbing the appetite and the use of Tanlac most of the diseases attacking the vital organs can be conquered. Overeating is the worst enemy the American people have today.

"Catarrh of the stomach is one of the most prevalent forms of disease in Kentucky today. There are thousands of Kentuckians suffering from

the trouble who are unaware of what their ailment is."

"People who are nervous and irritable, have imperfect digestion, stomach disorders, lack energy and ambition, feel melancholy and discouraged, suffer from backache and headache, poor memory, unsound sleep, irregular circulation, pallid complexion and who are susceptible to coughs and colds are unquestionably suffering with catarrh and kidney and liver trouble. The principal mission of Tanlac is to correct that very trouble.

"Severe stomach, kidney and liver troubles often are caused by catarrhal inflammation of these organs. The constant coughing up of mucus, sniffling, dropping from the nose and pains in the ears, throbbing headaches, pains in the pit of the stomach, side and kidney region, loss of appetite, no ambition, depression of spirits and the constant contracting of colds are characteristic symptoms of this trouble from which so many thousands of Kentuckians and others are suffering.

"Tanlac was designed to bring about an astonishing improvement in your spirits, appetite and general condition.

"In the springtime when so many men and women are suffering from the after effects of winter coughs, colds, pneumonia, la grippe, catarrhal and bronchial troubles and are in a generally rundown condition, the use of Tanlac will prove of special benefit as an upbuilding tonic.

"My suggestion is that such persons take the full course of treatment of six bottles." Tanlac is sold in Stanford at Penny's Drug Store.

OLDEST EMPLOYEE TESTIFIES

Pat Lally, Louisville, Tells How Tanlac Helped Him.

Louisville, Ky.—Pat Lally, well-known inspector for the Louisville Street Railway Company and an employee of that firm thirty-seven years, has this to say about Tanlac, the premier preparation:

"I have suffered from stomach trouble, which developed gradually into a general debilitated condition. I had indigestion, and my food didn't taste quite right. When I got up in the morning I had a disagreeable taste in my mouth, was constipated, there was a fullness in my head and I had no desire for breakfast.

"I was tired all the time and pulled myself through my days' work with greatest effort. As soon as I had taken a half bottle of Tanlac I began improving. When I awoke in the mornings I feel refreshed. My appetite also is good and my food agrees with me. That tired feeling has left me and I am buoyant and feel like a new man."

BIG DRUGGIST IS PLEASSED

Tanlac's Success in Louisville Causes Surprise

Louisville, Ky.—E. G. Isaacs, president of the Taylor-Isaacs Drug Co., of this city, says:

"The demand for Tanlac has agreeably surprised us. While we knew Mr. Cooper and were aware of the success his preparation had achieved in other cities of the country, yet we entertained no idea that the medicine would become so popular in such a short space of time in Louisville.

"Judging from the repeat sales, and the expression of satisfaction from those who have actually tested Tanlac and who state that they have been benefited by the preparation, Tanlac must therefore be something of unusual merit.

"The class of people who are buying Tanlac are among the best in the city, people who are able to judge impartially and who carry weight with their statements.

"Within the last 90 days, we have sold over \$30,000 worth of Tanlac. When it is considered that the demand is confined to one preparation, the sale is to be considered unprecedented. In fact, it is the biggest thing of the kind ever seen at our store."

WORTH \$1,000 TO ROHRMAN

Former "Ice King" of Louisville Praises Tanlac.

Louisville, Ky.—John Rohman, known to almost everybody in this city as the "Ice King" of Louisville, is among the large number of persons who have used Tanlac with the most beneficial results. Mr. Rohman said:

"Less than two weeks ago, I obtained this Tanlac. The medicine was just what I needed. It went straight to the spot. I strengthened right up. My appetite is improved as well as my sleep. If I had paid \$1,000 for the medicine it would have been worth that to me. The anticipation of taking the next dose of Tanlac is a real pleasure."

WANTS ALL WOMEN TO KNOW

Mrs. Kelley Grateful For Benefit Tanlac Brought.

Louisville, Ky.—Mrs. George Kelley, residing at 199 Harrison avenue, Louisville, made the following statement regarding Tanlac:

"I have been under a physician's care eleven years. I suffered principally from indigestion and stomach trouble, with frequent nervous headaches, and felt worn out all the time. "I weighed many pounds lighter than usual when I began taking Tanlac. After using Tanlac three weeks I now weigh several pounds more than I ever weighed. In fact, I have gained rapidly in every way in a comparatively short time.

"Tanlac is really the only thing that has actually helped me. I wish to recommend its use to every suffering woman."

PROMINENT MEN TAKE TANLAC

Mayors, Circuit and County Court Judges Among Number.

Lexington, Ky.—"I have sold Tanlac since the beginning of its introduction in Lexington to the Mayors of a number of cities, County Judges, Circuit Judges and to many of the most prominent business men on professional men in Kentucky," says Wm. E. Stagg, the Lexington druggist.

"The demand for the preparation has been phenomenal. In all of my twenty years' experience in the drug business I have never seen anything to equal it.

"I can only account for the great demand for this preparation by the fact that it is a good medicine. That is proved by the numerous statements from those who have tested the medicine and are now convinced of its excellent merits. The public has evidently not been slow to appreciate the Tanlac merit.

"Practically \$20,000.00 worth of Tanlac has been sold and distributed through my store within the past few weeks. Such a demand is most certainly unprecedented.

"My association with Mr. Cooper and the agency for Tanlac has been very pleasant I therefore take pleasure in commending Mr. Cooper and his very excellent preparation."

RIVER PILOT IS RELIEVED.

Louisville Steamboatman Describes Results Tanlac Brought.

Louisville, Ky.—Capt T. J. Oatman, one of the oldest and best-known river pilots in Louisville, who resides at 308 South Sixth street, adds his testimony to the hundreds of others in Louisville who have gained relief by the use of Tanlac. Capt Oatman said:

"I have been afflicted with stomach disorders and catarrh many years. My condition became so serious that I lost my appetite, foods of a solid nature always causing great discomfort and pains in the abdomen.

"My catarrh also became worse, and every damp, cool morning I would get up with a choking sensation in my throat and a fullness of my head. I coughed up mucus and went about sniffing most of the time.

"I tried Tanlac and found it was the best thing I had done in many years, as it helped me from the first dose. My catarrh has virtually disappeared and my stomach is strong and feels right. I cannot praise Tanlac too highly.

FEELS LIKE NEW MAN NOW.

W. S. Hart Says He Is Glad To Recommend Tanlac.

Louisville, Ky.—W. S. Hart, the well-known floor manager for the Woolworth Five and Ten-cent Store, on Fourth street, testified recently to remarkable merits of Tanlac. He said:

"Tanlac has made me feel like a new man. I used the medicine for rheumatism. I certainly do recommend it."

Cooper Explains Why Tanlac Is Popular; Elements of Medicine Found in Remote Parts of Earth

Says Success of Premier Preparation in Kentucky is Due To Fact That the Remedy Contains Real Merit—Product Is Result of Years of Experimenting on Part of Most Famous German Chemist in Country

Demand For Tanlac Was Expected

Louisville, Ky.—"If I have been successful with Tanlac," said L. T. Cooper, "It is because the preparation contains real merit.

"Tanlac is the result of many years of arduous study, by my principal chemist. In fact, the two of us have carefully watched its development from the beginning of the experiment—its tests to its present high state of efficiency.

"Ever and anon, someone suggests something that may tend to better our conditions, whether it may appertain to our health, our business, or our sociological state. It has, therefore, been my pleasure this time to offer to the world Tanlac.

"When I came to Kentucky I stated that the success of Tanlac would be great in this State as it has been elsewhere I offered Tanlac on its merits, knowing full well that it would prove satisfactory if properly tested.

"It is true that the demand for Tanlac has been large, but no larger than I expected. Kentucky is only awakening to the appreciation of the full value of such a preparation. Tanlac's success in Kentucky is destined to be still greater."

The ingredients, or medicinal elements, which compose Tanlac are gathered from many remote sections of the earth, the Alps, Apennines, Pyrenees, Russian Asia, Jamaica, Brazil, West Indies, Mountain States near the Rockies, Asia Minor, Persia, Russia, India, England, France, Germany, Mexico, Columbia and Peru are among the points from which the principal properties of this remarkable medicine are obtained.

In the principal laboratory of the Cooper Medicine Company, Inc., under the efficient direction of Herr Joseph von Trimbach, a native German chemist, these medicinal herbs, barks and flowers are assembled in the rough and painstakingly developed so as to obtain of that high standard of efficiency shown by the uniform preparation of Tanlac.

In sterilized bottles, made expressly for the purpose, Tanlac is placed, labeled and cartoned. The preparation is inspected again, and then crated for shipment to points over the world where the demand requires.

BIG CONTRACTOR BENEFITED

Col. Joseph Coyne Praises Tanlac Premier Preparation.

Louisville, Ky.—Col. Joseph Coyne, one of the best known general contractors in the South and builder of many miles of hard-surfaced streets and roads in and around Louisville, who resides at 438 South Fifth

street, this city, has added his words of commendation to those of thousands of others praising Tanlac. He said:

"My kidneys have annoyed me for a number of years. I suffered great pain as a result. I also suffered periodically from rheumatism, the condition affecting various parts of my body. I walked with great difficulty and could not use my hands naturally. I suffered from a pain in the ball of my foot fully ten years. That pain has disappeared.

"My kidneys are greatly improved and my rheumatism has virtually disappeared. My strength has returned, and my appetite and sleep have improved. I feel vigorous and healthy, and attribute the change to the use of Tanlac only. The medicine is all right. I recommend and commend it."

Tanlac is sold in Stanford at Penny's Drug Store.

"WORDS FAIL ME," SHE SAYS

Young Woman Unable To Describe Tanlac's Benefit.

Louisville, Ky.—"Words fail me in attempting to describe my gratitude for the benefit I have derived from the use of Tanlac," said Miss Clara Butler, a prominent young woman of Broden, Ind., who is visiting friends in Louisville.

"I have not enjoyed the very best of health for several months," Miss Butler continued. "I was all run down and so nervous that the least excitement made me almost frantic. My digestion also was very poor, and very often I found myself unable to partake of the very lightest liquid food.

"I am glad that I decided to take Tanlac. The medicine certainly is fine. I have been benefitted in every way and always shall think well of Tanlac.

Louisville Woman Tells How Tanlac Brought Relief

Louisville, Ky.—Mrs. Anna L. Bryan, an efficient trained nurse, who resides at 302 Crescent Court, Crescent Hill, Louisville, recently made the following statement regarding the famous medicine Tanlac:

"I find Tanlac very fine. I have been using it for more than a week for gastritis. I have been treated by several physicians with very poor results. At times I vomited blood and I lost weight steadily.

"I find Tanlac has given me relief. I wish Tanlac success."

A number of people from here attended the memorial services at Ephesus Sunday.

KIDD'S STORE

Mrs. Cora Thompson, of Louisville, stole away from the city monotony and worries for a week's recuperation with her girlhood friend, Mrs. Callie Jeffers, on the "Heights."

Mr. Ed Miller and wife, of Louisville, came home with Mr. and Mrs. Fred Jeffers—from the Templars' Conclave at Danville—for a two days' visit.

Decoration Day, as always, was observed with appropriate ceremonies by large numbers at different points in the county. Casey, one of the largest counties in Kentucky, has as many grizzled veterans of Civil War as any sister county and with their numerous progeny make a multitude of our best citizens.

When pessimism is about ineradicably established an instance of sporadic philanthropy gives the stage a flash of cheering optimism till its flit from the scene is crushingly followed by gloom or realization that "the exception too often proves the rule." Will Martin, an industrious, day-laboring fellow-urbanite was a stir at dawn today making repairs to a wealthy land owner's water-gate to protect the tenant's gardens and field crops against his (Will Martin's) hogs, which have unrestrained right to the public highways. It is not biblical dictum that the "leopard can't change its spots," but at any rate the truism appeals to psychologists and theologians for analysis of humanity's supreme selfishness even after twenty centuries of elevating and humanizing (?) Christian civilization. It will be refreshing to have a yoke-mate for Will Martin produced by some optimist.

Men's inhumanity to man is vile enough but that of some men (?) to their dumb-brutes is brutally monstrous. A philanthropist of your town sent messenger to examine a broncho he had "farmed out." The beneficiary had educated the beast to atmosphere diet almost to graduation as Ph. D. in guild of aerophiles when it was bought for seven dollars and twenty cents by two kind-hearted poor men, who daily dress the bruises and abrasions and with aid of friends lift it on foot, with prospects of final recovery of strength enough to get up and go to water.

The protracted fine season for setting tobacco caught many growers without plants large enough. Anomalous some of the disheartened who had abandoned the crop had good plant beds to sell as did the only citizen who succeeded in getting his entire crop set. A cloud-burst near us did great damage, last week to which tobacco had been set that day before was washed off almost completely as if by a landslide.

A young lady was born here last week whose complex consanguinity will take high rank with the most confusing genealogy—omitting the "step" and "in-law" grades of kinship, her father is grandfather to his nephew who is cousin to his aunt—this young lady—the nephew's father is a brother to his mother and the nephew's mother is a daughter and sister to his grandmother. The young lady is aunt to her own cousin and niece of her sister. The grandson is his grandmother's nephew and his father is a brother to his grandfather. There was some puzzle in the problem—"How old is Ann?" but the above is "simplicity" to those having "a key."

Crit Riffe and wife, of Hustonville, were here Sunday afternoon.

The town was thrilled with news that Ed Powell had been about killed by a vicious mule's assault. Another case of "three black crows" as the "critter" innocently fell on him, temporarily knocking all his breath out of him. But it does seem that Ed is fated to cash in with his boots on. A few years ago he got the best of a steam engine whose drive-band whirled and repeatedly pounded him against a floor. When rescued he was prepared for the cooling-board, but "the cat came back." "Whom the Lord loveth he chasteneth" is more consolatory to Ed's friends than to him—just now.

Alfie Carpenter, of Bald Hills, was a visitor near here Sunday—almost a stranger after so long a time.

Co-operation prayer meetings in beseechment of dry weather and more sunshine will be next on the program. A young country coon was selecting a cheap suit case when a bystander asked "What fur you want that thing?" "Ise gwine off an' I want it to put my close in." "Put yo close in! Humph! is you gwine to go naked?"

During the recent cold spell an alarmist expressed fear that it would snow—"Not unless it turns warmer" was the comment of a wag—Whilst sitting about and squinting amber on the store stove the mossbacks are unable to cite a parallel to weather of 1915, all of which Uncle Rubie has just heard is preferable to sunspots.

The marriage of our old neighbor, Sam Peavyhouse to Miss Nannie Cooper of Moreland, though long anticipated, was a pleasant surprise. Hustonville is indebted to our suburb, Stringtown, for one of her most solid unassuming, sterling citizens in Sam Peavyhouse, to whom and wife we give our heartiest greetings—Old age with continuous joy is our toast to Nannie and Sam.

LIBERTY, LINCOLN COUNTY

We are having lots of rain. Fronie Dameron, who has been quite ill is improving.

Little Emma and Susie Elder, daughters of Walter Elder, of Eubank are visiting their grandparents, Mr. and Mrs. R. N. Gooch at Bee Lick. Singing closed at this place Sunday week, which was conducted by W. G. Colson.

The singing teacher of the Liberty choir took most of the choir members to Goochtown Sunday to join in the singing which Miss Pearl McKinney was teaching.

Sunday School at this place is progressing nicely. Maurice Thompson is somewhat overjoyed over the arrival of a big boy at his home.

Rev. R. N. Gooch, wife and daughters visited Mr. and Mrs. George Sturgeon and family Saturday night and attended the meeting at Goochtown.

Violators of Game Law.
Game Warden Mitch Bailey arrested Will Jones, Arthur Hicks, Harry Jones and Jesse Donnelly, all negroes, for seining in Hanging Fork. The officer caught them dead to rights. Judge Coulter held them to the grand jury in the sum of \$100 each. Warden Bailey also caught another negro named John Jones hunting without license and his case is set for Saturday. —Danville Messenger.

Ice Cream Supper at Goshen.
An ice cream supper will be given at Goshen on Friday evening, June 11. The proceeds will go for the benefit of the Goshen Christian church. All are invited.

Maxwell

"The Wonder Car"

16 Great Service Branches—54 Maxwell District Offices—More than 2,000 Maxwell Dealers are always at the Service of Those Who Drive Maxwell Cars

When you buy an automobile you buy two kinds of service. First:—The service given and guaranteed by the car itself. Second:—The service given by the maker and the dealer while the car is in use.

The service the Maxwell car gives is known. 38,000 satisfied Maxwell owners have given the car the rough and tumble acid test of fully eighteen months' service. The Maxwell has shown that it is able to stand up under the severest use. In cities, over country roads, through mud and sand and up the steepest mountains, the 1915 Maxwell has made good for 38,000 owners.

THE SERVICE THAT THE MAXWELL MOTOR COMPANY GIVES

The service that the Maxwell car gives cannot be questioned. Any automobile owner from time to time requires service

from the maker of the car he drives. He sometimes needs new parts, adjustments, etc.

16 GREAT MAXWELL SERVICE BRANCHES

The Maxwell Motor Company takes care of Maxwell owners by maintaining 16 great Maxwell Service Branches. These branches are in great cities which have been selected in such a manner as to thoroughly cover the United States. They can deliver parts to any Maxwell dealer or Maxwell owner within a few hours.

54 MAXWELL DISTRICT OFFICES

54 Maxwell District Offices are maintained in leading cities. This means 54 District Managers, each with a corps of assistants. A great big part of the work of this army of skilled men is to see that Maxwell dealers give real Maxwell service to Maxwell owners.

MORE THAN 2,000 MAXWELL DEALERS ALWAYS AT YOUR SERVICE

Each of the Maxwell dealers in the United States and Canada is an automobile expert. Anyone of them stands ready at all times to give advice and assistance to any Maxwell owner. You can tour all of the United States and Canada and should your car require the attention of an expert you will find a Maxwell dealer near at hand. If you need a replacement part, and the dealer does not have it in stock, he can get it for you from the nearest Maxwell branch within a few hours.

Maxwell owners never have their cars out of service for days or weeks at a time waiting for replacement parts.

The \$695 Maxwell "Wonder Car" is the greatest real automobile value ever offered. The service that the Maxwell Motor Company gives is not surpassed by the service given by any other automobile manufacturing organization in the world.

Read This List of Expensive Features. The 1915 Maxwell Has These Features And Many Others.

Attractive Streamline Body

Pure streamline body; graceful crown fenders, with all rivets concealed. All the grace, style and "snap" that you will find in any of the highest priced cars.

A High-Tension Magneto

Nearly all the high priced cars have high tension magnetos. A high tension magneto gives positive ignition. The Simms magneto, with which the Maxwell is equipped, is recognized as one of the best magnetos made.

Left Side Drive—Central Control

Left side steer with gear shifting levers in center of driving compartment—center control—has been accepted by leading makers of expensive automobiles as the safest and most comfortable for the driver; that is why the Maxwell has it. The Maxwell is so easy to drive and control that a child can handle it.

Three-Speed Sliding Gear Transmission

All high priced cars have a sliding gear transmission. It is costly to make, but it is the best. If the motor has the power, sliding gears will

pull the car out of any mud or sand. The Maxwell has a three-speed selective sliding gear transmission because Maxwell engineers do not consider any other type to be worthy of the Maxwell car.

Double-Shell Radiator with Shock Absorbing Device

The Maxwell radiator is of handsome design, gracefully curved, and it is built to be trouble proof. It is the expensive double shell type and has ample cooling capacity. The radiator is mounted in the frame by means of a shock absorbing device on each side, which relieves the radiator of all twists and distortions of the frame, caused by roughness of the road. The shock absorbing device also minimizes the possibility of radiator leaks.

The Roomy Full 5-Passenger Body

Adjustable Front Seat

The 1915 Maxwell has a full grown 5-passenger body. The front seat is adjustable, you can move it three inches forward or backward. This makes the car really comfortable for the driver. No cramped legs for tall people or uncomfortable reaching for short people. Most drivers' seats are made to fit anyone—to fit no one.

Low "Up-keep" Carburetor

The carburetor used on the Maxwell was especially designed for it after long and severe tests under every conceivable condition. Economy runs exhibited by hundreds of dealers and owners in different sections of the country have proved its efficiency; its quick response to throttle and its extremely low consumption of gasoline. It has been termed the "low up-keep" carburetor.

Irreversible Steering Gear

The greatest margin of safety has been provided in the steering gear of the 1915 Maxwell. The Maxwell irreversible steering mechanism is of the expensive worm-and-gear type and its superiority over every other type lies in its many adjustments. At no time is more than a fourth of the bearing surface of the gear which operates the worm in use. When needed, a new bearing surface may be had by adjusting the gear a quarter of a turn. In short, the Maxwell steering gear has four times the adjustment of any other kind.

Heavy Car Comfort

What surprises most people is the smooth, buoy-

ant riding qualities of the Maxwell. The spring suspension of the 1915 Maxwell is the same costly combination of long semi-elliptical front springs and the three-quarter elliptical rear springs that is used on most heavy weight, high priced cars. The Maxwell offers you every essential of the highest priced machines at a fifth of their cost.

One Size of Tire—Anti-Skids on Rear

The Maxwell car is one of the easiest cars in the world on tires. Maxwell owners carry but one spare tire and but one size of spare tubes. Economical 30 inch x 35 inch tires are used all around. A famous make of anti-skid tires are supplied on rear wheels.

A Dependable Electric Starter

For \$25 extra, you can have your Maxwell delivered equipped with the famous Simms-Huff electric starter. This starter is efficient, trouble proof and easily operated.

And the Maxwell is completely equipped from the clear vision, ventilating windshield at the front to the spare tire carrier at the rear.

The Maxwell Company's Guarantee of Service to Maxwell Owners

No other automobile is backed by a more reliable service than that guaranteed every Maxwell owner. More than 2,000 Maxwell dealers—in every part of this country—are always ready to give expert advice, to make adjustments, and to supply new parts at reasonable prices.

This splendid Maxwell dealer service organization is perfected and completed by the chain of Maxwell owned and Maxwell operated Service Branches. Sixteen great Maxwell Service Stations are so located throughout the country that a Maxwell dealer can supply any part for an owner within a few hours if not in his stock. Maxwell Service is one of the great advantages enjoyed by Maxwell owners.

Order a Maxwell from us now, and when you want it delivered, we will give you your car—not an excuse on delivery day

sociation.

Miss Berta Jean Penny's friends
are much gratified to know that she
has not only been successful in the
study of the violin, but has taught
twenty-six pupils in addition to her
other work in Cincinnati this season.

Wednesday evening, Miss Penny was
the violinist at a recital given by the
Conservatory in St. Paul's Cathedral.

On Wednesday evening Miss Pat-
rick Perkins was at home to a number
of her friends. The evening was a
very enjoyable one. Those present
were: Mr. Hartwell Shanks and Miss

WHAT CATARRH IS

It has been said that every third
person has catarrh in some form.

Science has shown that nasal catarrh
often indicates a general weakness
of the body; and local treatments in
the form of snuffs and vapors do little,
if any good.

To correct catarrh you should treat its
cause by enriching your blood with the
oil-food in Scott's Emulsion which is a
medicinal food and a building- tonic, free
from alcohol or any harmful drugs. Try it.

HOW WOMEN AVOID OPERATIONS

By Taking Lydia E. Pink-
ham's Vegetable
Compound.

Cleveland, Ohio—"My left side
pained me so for several years that I
expected to have to
undergo an operation,
but the first
bottle I took of
Lydia E. Pinkham's
Vegetable Com-
pound relieved me of
the pains in my side
and I continued its
use until I became
regular and free
from pains. I had
asked several doc-
tors if there was anything I could
take to help me and they said there
was nothing that they knew of. I am
thankful for such a good medicine and
will always give it the highest praise."
—Mrs. C. H. GRIFFITH, 730 Madison
Ave., Cleveland, Ohio.

Hanover, Pa.—"I suffered from
female trouble and the pains were so bad
at times that I could not sit down. The
doctor advised a severe operation but
my husband got me Lydia E. Pinkham's
Vegetable Compound and I experienced
great relief in a short time. Now I feel
like a new person and can do a hard
day's work and not mind it. What joy
and happiness it is to be well once more.
I am always ready and willing to speak
a good word for the Compound."—Mrs.

TANLAC PLANT MADE LARGER

Unprecedented Demand for Remedy Necessitates Increased Capacity.

Tanlac, the premier preparation, sold in Stanford at Penny's Drug Store and which is being so widely discussed in this State, is being used today by more than 150,000 Kentuckians, thousands of whom have testified to the benefits they have gained by its use.

Every walk of life is represented in the small army of Kentuckians who have been benefited by Tanlac and who have testified to its merits as a medicine of rare value.

The Taylor-Isaacs Drug Company, Louisville, has sold more than 30,000 bottles of Tanlac in 90 days. The success of Tanlac in Louisville is typical of the cordial reception the preparation is receiving in large cities and rural districts where it has been introduced. In the last six months the business has grown to enormous proportions—so large, in fact, that it recently became necessary to increase the capacity of the Tanlac plant in Dayton, Ohio, which had been producing from 8,000 to 10,000 bottles of the preparation daily.

The unusual, and heretofore, unused formula composing Tanlac is, in a large measure, responsible for the medicine's popularity and success. The ingredients, which are gathered from many sections of the earth, are of known curative value.

One ingredient never before has been used in a proprietary medicine. This probably contributes more to the success of Tanlac than any other one thing. Its curative power is conceded to be most effective and rapid. This ingredient was discovered on an island in the Pacific, west of Mexico.

W. C. T. U. Convention at McKinney

Beginning on Wednesday evening, June 16th, the District Convention of the Woman's Christian Temperance Union will be held with the McKinney union. The feature of the evening will be the Lincoln County Silver Medal Contest, with two representative speakers each from Stanford, Hustonville and McKinney, beginning at eight o'clock at the opera house. Admission 25 cents.

All day on Thursday the convention will be in session. A number of helpful and interesting talks will be made and the work of the organization be discussed by State and local workers. The district president, Mrs. J. K. Baughman, is leaving nothing undone that would be for the interest of the convention and this one promises to be the best in the history of the District organization.

On Thursday evening an address will be given by a noted temperance speaker.

To all of these meetings the public is invited. The local union is anxious for a large number of delegates and representatives from the other unions of the district, and add a hearty invitation to that of the President, Mrs. Baughman, for all to come. To the people of McKinney and community we want to say that the opportunity for you to attend a meeting of this kind is rare, and we hope none of you will miss any of the good things you may get by coming. It would give us

Stove Burns Oil Or Gasoline.

Detroit Vapor Stoves

"Work Like Gas."

Simply light the burners and put your cooking on at once—just like a city gas stove. You have a hot smokeless fire right from the start. Of all stoves that we know of as long as we have been in business, we believe the "DETROIT VAPOR" stove the best made. We invite you to call at our store to see them and we will give you an illustrated booklet describing these stoves in full detail.
